CMAP staff (Tom Murtha) will give the Task Force an update on the Regional Transportation Operations Coalition.

SUGGESTED ACTION: *Information*

4.0 Pedestrian and Bicycle Project Programming

4.1 Illinois Transportation Enhancement Program

IDOT has announced a call for applications to the 2010 Transportation Enhancement program. On-line applications are due August 31, 2010. Staff will briefly summarize program goals and key dates, and describe the method and approach CMAP will take to provide feedback and analysis of project applications to IDOT.

4.2 America Bikes "Next Mile Database"

America Bikes is compiling a list of bicycle and pedestrian projects that metropolitan areas would like see built next in their regions. They are asking, "*What are the next 5 bicycle or pedestrian projects you want to see built in your community?*" America Bikes believes this list or database will help demonstrate a demand for increased funding for bicycle and pedestrian projects. CMAP staff will ask the Task Force to propose specific projects, or a method for selecting such projects, to submit to the America Bikes database.

SUGGESTED ACTION: *Information and discussion*.

4.3 Project Updates

Implementing agencies will be invited to provide a brief update regarding the status of programmed projects. Staff is requesting information on recently let projects, completed projects, and project delays which need attention by CMAP staff.

SUGGESTED ACTION: Information, Discussion, and Referral to Staff

5.0 Public Comment and Announcements

This is an opportunity for comments from members of the audience. The amount of time available to speak will be at the chair's discretion. It should be noted that the exact time for the public comment period will immediately follow the last item on the agenda.
